Additions to Agenda

- Johnathan Konrad joined us. Came to be in person at least once in each school council. And to help put faces to names. Welcome any kind of feedback to the office.

Old Business

- Babysitting course - Confirmed for January 30 & 31. Will be put in the school newsletter and posted on the RQB Community Page.
- Home Alone course - Possibly in the spring.
- Bulletin Board for advertising - Dan suggested a whiteboard which could work

New Business

- Christmas Store - Dec 7 -9 - Veronica explained the process of the school store. Confirmed CSSA will get a float for us and hold the cash after. Veronica will email Lori for leadership volunteers.
- Christmas Gift Cards for teachers - This is built into the budget with the CSSA so it is earmarked. Blaire Kochling and Amanda Paquette will gather the gift cards. Dan will send an email confirming the total number of staff.
- Hampers for families - In the past we have asked CSSA to cover the cost of the meal. Typically there are 3 families and a volunteer brings in the meal portion for the hampers.
- Grab & Go - We need a larger volunteer group to bring it in. Deb will create a google document for people to sign up.

Reports

Principal / Vice Principal

- Cree Language - There has been about a dozen students showing interest. Alexander has offered the instructor. Would run from early december to spring break during the last hour of the day. If we do it this year and it's successful then we can grow it.
- Reports - Filled out and submitted but only had about 24 responses. Parental involvement at the school could be better. Dan is inquiring how it can improve.
- PT Interviews - Nov 2 & 3. Letter will go home this week and online sign up will start

Friday at Noon.

- Shallen Moore will organize the pizza supper for the PT interview on the first day.
- Social Media - Has been pretty good so far. Had 2 small incidents this year. Dan will try to get a police officer out to our school regarding internet safety.
- Outside Classroom - Site plan provided, there are 3 options. Please take a look and provide feedback.

Teacher Report

- Lori Moores reported. - October has a gratitude attitude calendar. It was sent home with students. Did a gratitude activity writing down something we are grateful for. Lori presented the resources that are continuing to be built to assist with teacher lessons to join our values. Such as how we connect home to these lessons.
- We are going ahead with the leadership for grades 4 - 6 with the halloween carnival.

Student Report

- Kinyen - Running club went to Hawrelak Park for cross country. Very nice weather, great results, lots of students placed.
- Running club has stopped wed evenings until November and will start thursday mornings at 7:30 OR Tuesday or wednesday at lunch time.
- Kathleen would like to look into Camilla Running Club shirts.

CSSA Report

- Running Wojnowski fundraiser November 1 - 18. Will have jerky, sausage and cabbage rolls.
- We no longer need to pay for our own insurance so we have approx an extra \$1000.00 to put towards internal items.

Trustee Report

- Lagoon update went out to everyone.
- Values scoping - is on the capital request for the future. There are several schools in Sturgeon county that require replacing.
- October 25 - Council of school councils
- If there are questions/concerns/comments/feedback please feel free to contact Joe.
- Transportation - Will be looking at funding for over 500 students that are transported that do not receive any funding. Some difficult decisions may be made regarding boundaries. Choice riding costs over \$80,000.00 per year. Could up their fees, but does not take care of the ride length. One thing is that transportation may not pick up kids within 1.2 km no matter what.
