Old Business

- Space for posters - Mr. Stephen has a bulletin board or we can post on glass. When we have items just let him know.
- Thank You to all the pancake breakfast volunteers and to the School for providing everything.

New Business

- Thank You to all the pancake breakfast volunteers and to the School for providing everything.
 - Items to remember:
 - Make the pancakes a smidge bigger so they are easier to cut into strips.
 - Go easy on the syrup
 - More volunteers at the delivery stage.
- Inclement Weather Policy
 - Sturgeon Public has a policy to follow which is - 40 without windchill.
 - Question was presented asking if the Bus Alert App communicates if it is a division decision vs driver decision for canceling. - Unsure will look into.
 - Within this policy there are 2 things. The temperature and the drivers if they feel it's unsafe.
 - When it's below - 30 the new buses are not running right.
 - Fog is a tough issue as well.
 - Sturgeon Public is considering putting a parent/teacher committee together to discuss altering the policy.
- Rock of Ages Fundraising

- Amy Soetaert and Blaire Borle are going to head fundraising. Will keep everyone posted.
- What are we using the \$900.00 for: need to make a decision
 - Hosting some modules - monday nights from 7 - 8 in February. Can do these for our CSA. Can also have ASCA come out and present. Shallen will talk to the ASCA and see if there are some dates available for them to come out and we can invite other councils as well.

Reports

Principal / Vice Principal

- Ski Club is starting - students will leave at 1:30pm on those days.
- Ski Trip forms went out with the grade 9's on friday and the grades 7's today. There are only 49 spots available. Grade 9's took 24 spots. They get first come first serve. This is an overnight trip.
- Literacy screening. We will start getting a baseline to see where students are at.
- Reading logs - This year we wanted to focus on some of our reluctant readers and created a buddy project. The Junior high reluctant readers become buddies to the younger kids.
- Skating is still going on. Thank you to our volunteers that come to help tie skates.
- Basketball and running clubs are going well. Basketball is starting tournaments.
- Both Ryan and Val are back after the break and are doing well.
- Thank you for the pancake breakfast.
- Rock of ages is running and going well.
- Survey season for grades 4 and 7 is coming. Parents will get a code in the mail to go online and fill out the survey. Will work to promote parent engagement.
- Engagement in social media and touching base - Dan will meet with a communications person and will start posting on social media. The calendar is an appreciated touch.
- Budget Update: The school gets about \$6600.00/student. Camilla was allocated \$85,931.00. We have spent about \$24,000.00 so far this year. And will continue to spend the budget throughout the year.

Trustee Report:

- Administration put some notes together - please refer to hand out.

- Inclement Weather
- Transportation - Coming into a time to make some serious decisions. All students within 2.4 km are NOT funded by the government. So when Sturgeon Collects bus fees we try to subsidize as much as possible. Trustees are working on appealing to the government to change their policies for providing funding. If you would like to help and your child is within 2.4 KM, call your MLA and emphasize concern about not receiving transportation next year.
- CASSA - Received money and chose a couple school divisions to support mental health
