## March 2024

Hello Camilla Families,

This month we are having our second round of Parent Teacher interviews. They will be on March 20 and 21st from 3:45 - 6:45 on both days. Please see the letter that was sent out last week regarding details and how to book. If you have any questions please feel free to call the office.

We look forward to a great month of athletics in March. Basketball teams are both in the Sturgeon League finals next week and our Running Club athletes compete next week as well. Best of luck to all our athletes that are representing Camilla School.

We are only three weeks away from Spring Break! I hope everyone has a great few weeks of school and you are able to enjoy the week off for Easter!

I wish everyone a great March!

Kevin

## This Month: Respect

**Respect.** One word defines probably one of the most important life lessons. We need to respect ourselves and respect others. It impacts our lives and the lives of others. It determines our happiness and our success.

**“Being respectful means treating others the way you would like them to treat you.”**

Children learn respect when they are treated with respect. So, make these simple efforts a daily habit:

- **Communication with respect.** Listen attentively to your child. Don't interrupt. Make sure you understand what he or she is saying. Focus on the positive.
- **Practice solving problems calmly.** Use "I statements" ("I feel ignored when you don't answer me") instead of hurtful accusations ("You always ignore me!").
- **Take responsibility.** When you make an agreement with your child, stick to it and expect him or her to do the same. If something goes wrong, the person responsible should make amends and learn from the experience.

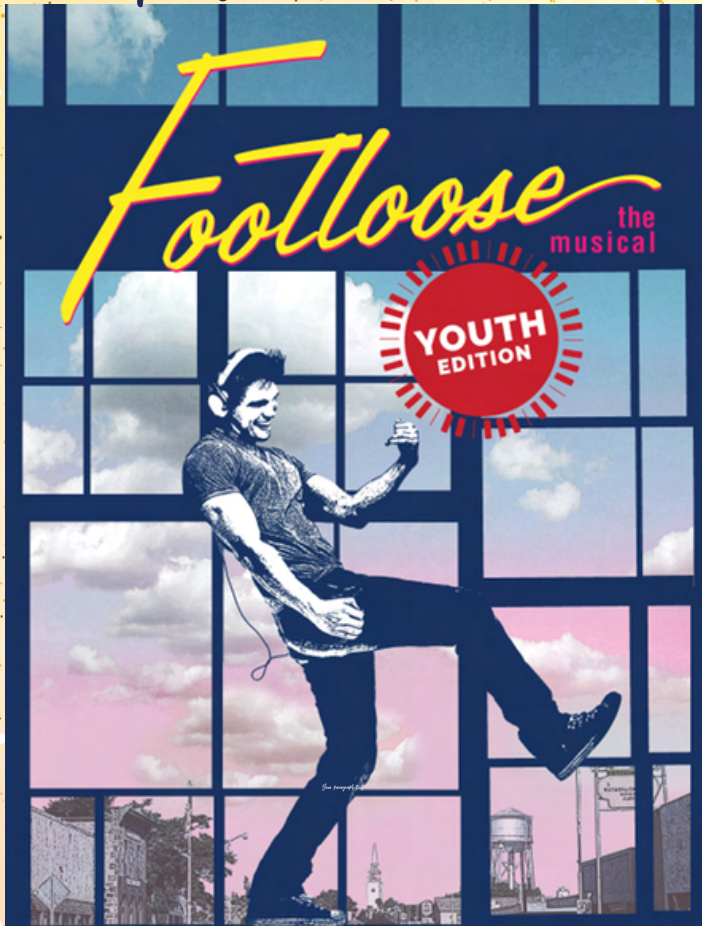

- **Care for belongings.** Cleaning up is a way of showing respect for things around the house. Talk about this with your child. What if so and so, did not pitch in? What steps, such as organizing toys, could make the job easier?
- **Be encouraging.** Support your child's interest and strengths. Talk about values, including those of your family passed down for generations. How can he or she show this? Strong character should be a source of pride.

## Let your child face consequences

Show your child that his/her actions have consequences! If she/he doesn't pick up her/his schoolwork up off the floor, let her/him experience:

- **A natural consequence.** The dog runs past and wrinkles her papers. That's a natural consequence.
- **A logical consequence.** If you spend time picking up her things, she owes you time tidying other parts of the house. That's a logical consequence.
